

## **Again a triple win for Apsys Polska at the CEE Retail Real Estate Awards!**

For the 4th consecutive year, Apsys Polska was awarded the CEE Retail Real Estate Awards with, again, three awards: 'Best Company of the Year 2015 ', the " Best Manager of the Year "(for the 4th year), the price "Developer of the year" (for the 3rd consecutive year)!

Both trades Apsys, developer and manager are once again recognized by the profession. CEE Retail Real Estate Awards, organized by Europa Property, reference magazine for commercial real estate in Central Europe, recognize, indeed, land and the most outstanding projects of the sector.

A recognized leader in Poland, Apsys Polska manages 22 shopping centers including the iconic Manufaktura, on behalf of owners 8, and controls the largest project currently under construction in Central Europe: Posnania. Located in Posnan, 5th city in Poland in terms of population / second by the living, Posnania is a concentrate of the latest innovations of retail and lifestyle shopping for a unique consumer experience in Poland.

*"In this year we are celebrating a doubling anniversary (20 years of Apsy and 10 years of Manufaktura) and a few months of opening Posnania (fall). I am proud and happy that the double competence in Apsys management and development to be recognized again !"*Said Fabrice Bansay, CEO of Apsys Polska.

### **About Apsys**

With a business presence in both France and Poland since 1996, Apsys has designed, created and managed retail and leisure spaces, creating an emotional connection with customers. Tailor-made spirit, creativity, determination and passion are characteristic of Apsys' ambitious and innovative vision, which is shared by its 340 employees. Apsys heads a portfolio of 28 shopping centres in operation, including Beaugrenelle (Paris) and Manufaktura (Lodz / Poland), and 8 projects in development, including Vill'Up (Paris – opening in 2016), Posnania (Poznan / Poland – 2016), Muse (Metz – 2017).
